Commission on Human Rights and the Drafting Committee as they drafted the Declaration. This year's campaign encourages all people to stand up for equality, justice and human dignity through their #StandUp4HumanRights campaign, which suggests that:

- The Universal Declaration of Human Rights empowers us all;
- Human rights are relevant to all of us, every day;
- Our shared humanity is rooted in these universal values;
- Equality, justice and freedom prevent violence and sustain peace;
- Whenever and wherever humanity's values are abandoned, we all are at greater risk; and
- We need to stand up for our rights and those of others.

TOGETHER WE CAN MAKE A DIFFERENCE!
