Tentative Agreement Ratified!

Dear Sisters and Brothers:

Voting on the memorandum that was done online has concluded at 6:00 pm MST on April 5, 2022.

The results of the vote were that the tentative has been ratified with a majority of those that voted, voting in favour of it.

The bargaining committee would like to thank the members that came to the meeting and participated in the discussion and voted on the tentative agreement. The Local has contacted Foremost and has advised them of the result and will follow up to make sure the retro pay is paid as soon as possible.

In Solidarity,

Your Unifor Local 4050 Bargaining Committee
