**Re: Canmore Linen - Unifor 4050 Payrate Grievance UPDATE**

Hi Brothers and Sisters, this is to update you on the grievance filed dealing with the Company hiring new hires at top rates or rates hire then the normal start rates.

I'm please to announce the Legal council for the Local and for the Company have worked on resolving this grievance and the two days booked for the arbitrator to hear this have been cancelled.

The Local will be holding a meeting at the end of November to review with the membership the resolve to grievance and answer any question on the process or the resolve.

**PLEASE WATCH FOR A FUTURE POSTER ON THE MEETING DATE AND TIME.**
