LOOMIS EXPRESS
BARGAINING
UPDATE:
STRIKE VOTE.

LOOMIS EXPRESS MEMBERS VOTE 97% IN
FAVOUR OF STRIKE ACTION!

Dear Brothers and Sisters,

Your elected Union Bargaining Committees from over all provinces have held membership meetings and have collected a strike vote from the Loomis membership coast to coast to coast.

During these meetings the members were consistent and aligned in their demands for

- Guaranteed work (no contracting out)
- Fair and equitable pay
- Safe and respectful working conditions.

We are proud to announce that a strike vote of **97%** has been reached by the membership. These results signify a solidarity amongst our members and we are confident that it will send a strong message to the Company that we will not be accepting anything less!

We will be going back to the bargaining table on Saturday August 27th where we will continue to bargain. We thank you for your continued support as we move forward.

We will keep you updated.

In Solidarity
Your elected Loomis Bargaining Committee.
