## President's Report

Good Morning All Relations:

I would like to start with welcoming everyone that made it to this meeting in Red Deer. I would like to share how grateful I'm that you have taken time to travel to this meeting and participate in the Local General Meeting.

This past two months has been busy, Pincher Creek Co-Op has ratified a collective agreement, and Waste Management and Fairmont Canmore Regional Linen starting bargaining in the next few weeks. In the New Year Foremost and Fairmont Chateau Lake Louise will also start bargaining process.

The recent changes to that the federal government announced regarding tax write off and credit for new equipment I'm hoping will help with Foremost's production.
