AGI Canadian Company (Edmonton Airport)

Bargaining begins.

Dear Union Sisters and Brothers:

The bargaining committee along with representatives of your Union and Unifor National met with the Company on July 13th, 14th , and 15th, 2026 to start the bargaining process and exchange proposals. The committee secured July 22nd and 23rd, 2026 to continue bargaining with AGI.

The committee is working to reach a tentative agreement that will be presented to the membership so each member will have an opportunity to vote on acceptance at that time.

In Solidarity,
Unifor Local 4050 Bargaining Committee
